

MELBOURNE VM2 STUDY GROUP
with
ROSIE GREENE, BARRAL INSTITUTE INSTRUCTOR

Date: Sunday 7th May 2017; 8:30am to 4:00pm

Content: This will be a very detailed hands on review of VM2 with the following **expected outcomes**:

- To complete a hands on review of the curriculum for VM2 with emphasis on the duodenum, kidney and pancreas
- To receive feedback on your VM2 techniques
- To experience the difference of mobility of the same organ on different people and hence develop an understanding of what is normal or abnormal for that organ
- To know useful structural tests relating to each organ.

Cost: \$150.00. You will receive tax receipt invoice.

Location: **Jurmain Health** – [538A Murray Road, Preston, Vic., 3072](#) (click for map)
